2012 Prairieland Park Community Partner: Child Find Saskatchewan

Child Find Saskatchewan is a non-profit organization dedicated to assist in the location of missing persons as a result of parental/stranger abduction or when children wander off or run away. Child Find also utilizes significant resources on targeted proactive programs to reduce the incidence of missing and exploited children. These programs are designed to enhance education and awareness specific to the issues associated with missing children.

"Child Find Saskatchewan is honored to have been selected for the Community Partnership Program with Prairieland Park. We look forward to working in conjunction with Prairieland Park to successfully achieve our many goals. This incredible opportunity will be instrumental in elevating community awareness and program delivery to a level which we would not be able to obtain without Prairieland Park's collaboration," comments Shirley Semkiw, Child Find Saskatchewan.
